President's Message

Hello Everyone,

This weather we are experiencing has been amazing, hopefully many of you have had an opportunity to get out metal detecting. This time last year there was still snow on the ground. Remember we will begin our 'Finds of the Month' event at the March meeting.

A big thank you goes out to Mr. Doug Nyholm for his amazing presentation last month about Indian Head Cents. I feel that we all learned a great deal of information on how to identify those mint errors that can bring you a greater value.

This month's meeting will be our club medal design voting. Please bring your Utah related design. Be creative and have fun with your design ideas. Also we will be having our Bourse Night. Please bring items that you would like to buy, sell, or trade. This will be a great evening.

Another reminder about our room change, we will be meeting in the Gym Room, directly south from the location we have been meeting at.

Thanks everyone for your patience and support with these changes. See you at the meeting.

Todd Monson

Flying Eagle & Indian Head Cents

Doug Explaining the Design and History of the Flying Eagle and Indian Head Cent

1850 Ring Pattern

1854/55 Flying Eagle Pattern

The U.S. Mint had considered changing the Large Cent for many years. They tried several different patterns before choosing the Flying Eagle design. The Indian Head Cent replaced the Flying Eagle in 1859. This is a very interesting series with many difficulties, twists and turns; which can be as expensive as you want.

President Monson thanking Doug Nyholm for the great presentation.

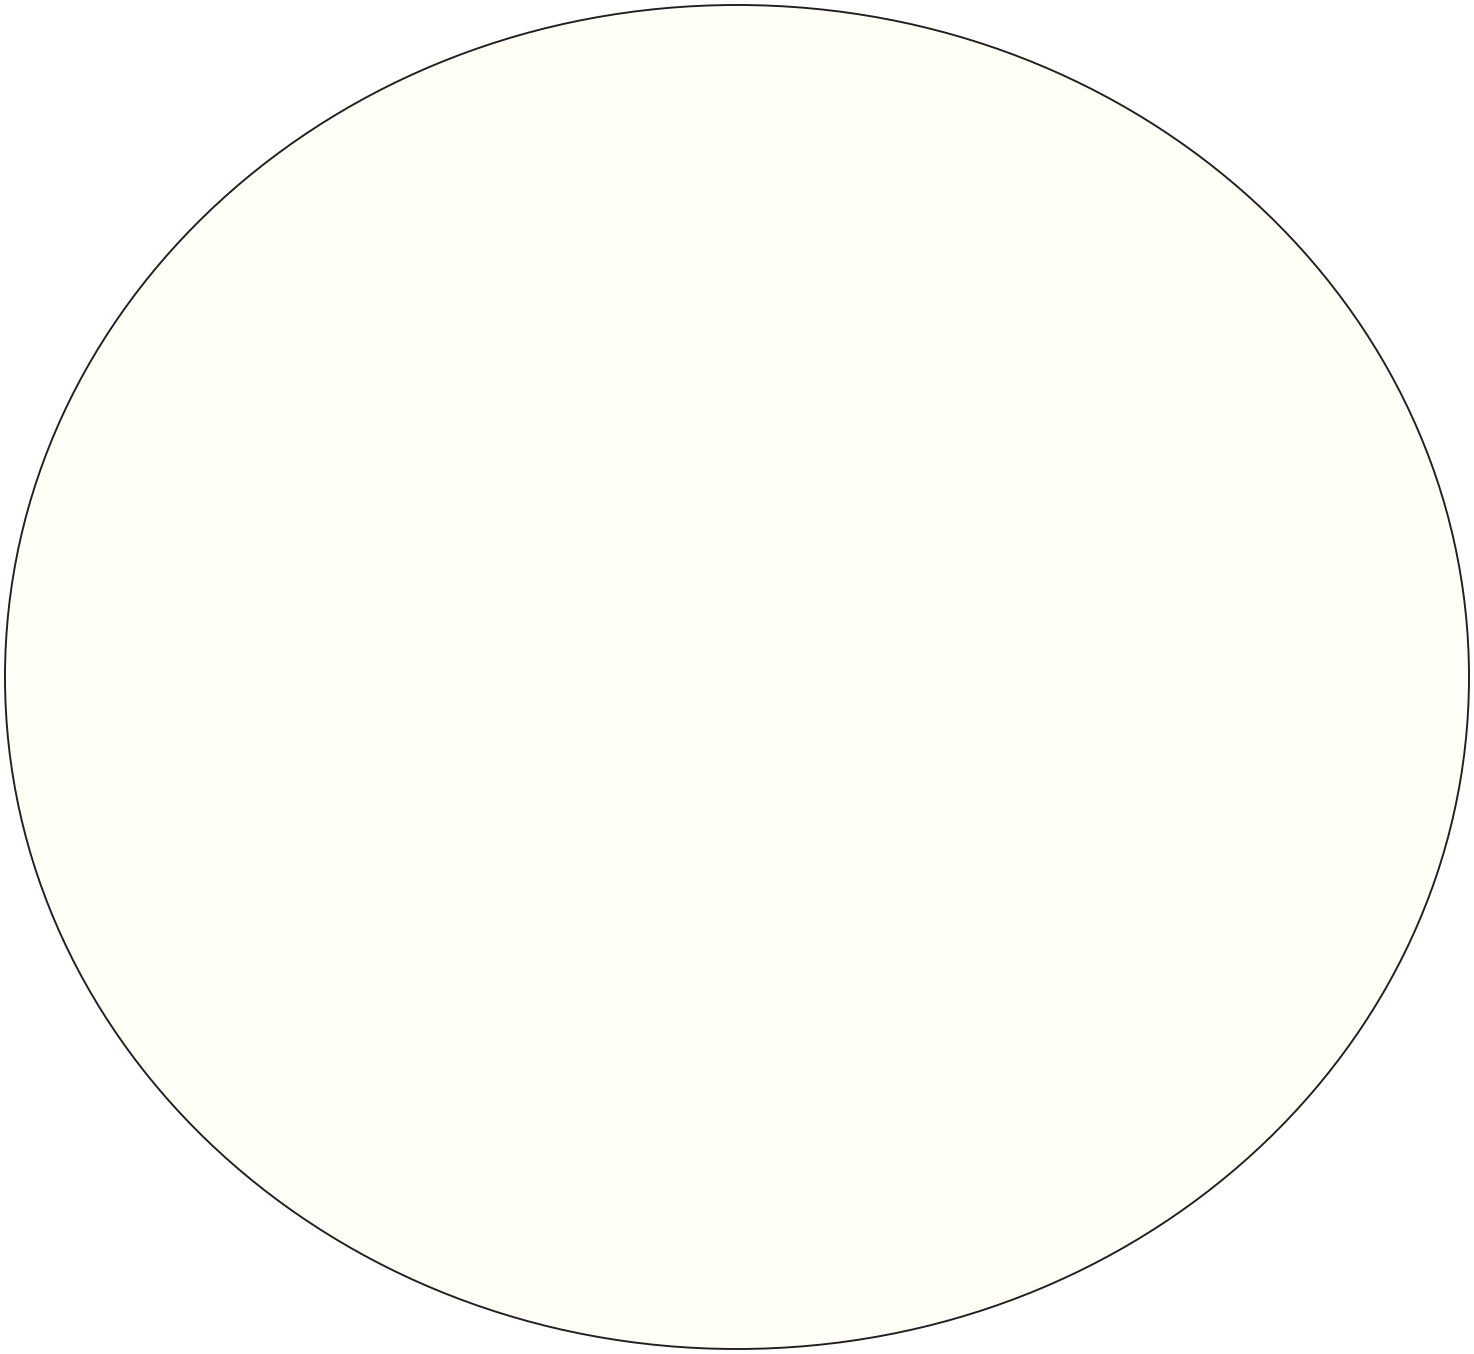
N.U.T.S. MEDAL DESIGN SUBMISSION



NUTS members it is time to submit your designs for the club medal. There is no specific theme required for the medal. Photographs may be used for a design as well as artwork. If a photo is used it needs to be sharp and clear with distinct lines. For example pictures of buildings work well. **Remember permission must be obtained to use copyrighted material.**
